The SME Lancer Softball Booster Club was founded to support and promote the Shawnee Mission East softball program and all high school Lancer softball players and coaches. Our organization is open to anyone in the community; parents, alumni and businesses. Our goal is to provide year-round support to ensure that the program is successful in creating a winning environment for the players, coaches, students, parents and fans in the SME community.

For more information, check out our website at www.softball.smesports.org

The SME Lancer Softball Booster Club is not a 501 (c) (3) organization.
